Our Uniqueness:

- Our system is child centric
- Teachers are *Murabbiyat* (role models)
- Curriculum is specially designed. Which has Islamic integration with holistic approach
- Assessment System is highly scientific
- No class room and black board concept (very much popular in advanced countries)
- Use of digital technology (computers & tablets)
- School is not oriented towards any *Maslak*
- School conducts Parenting Classes by experts to help parents in up bringing children successfully

What We Teach

Integrated Curriculum
For Holistic Approach
